Zbiór testów do podręcznika New Headway Elementary

Wraz ze wzrostem liczby osób uczących się języka angielskiego rośnie zapotrzebowanie na nowoczesne testy oceniające efekty pracy uczniów i nauczycieli. Wprowadzenie różnych ćwiczeń sprawdzających kompetencje językowe uczniów na początkowym etapie nauczania pozwoli na gruntowne przygotowanie ich nie tylko do nowej matury ale i rozmaitych konkursów językowych, a także olimpiady języka angielskiego, czy popularnych egzaminów *First Certificate* oraz *Certificate of Advanced English*. Proponowany przez nas zbiór testów wraz z załączonymi kryteriami oceny z powodzeniem może być stosowany w każdej szkole, w której korzysta się z podręcznika *New Headway Elementary*. Liczba testów odpowiada liczbie rozdziałów w tym podręczniku. W przygotowaniu są podobne zbiory uzupełniające podręczniki *New Headway Pre-Intermediate* i *New Intermediate*. Główne cele testów:

- wprowadzenie materiałów pozwalających nauczycielom sprawnie ocenić postęp uczniów w zakresie rozwoju ich kompetencji językowych, które byłyby jednocześnie naturalnym uzupełnieniem każdego rozdziału;
- przygotowanie zbioru testów wzorowanych na testach obecnie stosowanych w konkursach i na egzaminach;
- wyrabianie u uczniów nawyku systematycznej oceny rozwoju własnych postępów w zakresie kompetencji językowych;
- umożliwienie nauczycielom wykorzystania proponowanych zadań jako wzorów w przygotowaniu nowych testów i kryteriów oceny.

Typy ćwiczeń

W teście do każdego rozdziału proponujemy ćwiczenia zamknięte i otwarte.

W ćwiczeniach zamkniętych za poprawną uznaje się tylko jedną odpowiedź, np. prawda/fałsz, co pozwala na szybkie ich sprawdzenie i obiektywną ocenę. W punktowaniu ćwiczeń otwartych lub częściowo otwartych konieczne jest rozważenie kilku aspektów poprawności językowej i należy oczekiwać kilku wersji poprawnych odpowiedzi. Różnorodność zadań pozwala na dokładne ustalenie zagadnień wymagających powtórzenia oraz umiejętności, w zakresie których wskazane są intensywniejsze ćwiczenia z całą klasą lub poszczególnymi uczniami.

Typy zadań zamieszczonych w kolejnych testach to: ćwiczenia sprawdzające rozumienie tekstu czytanego zawierające pytania typu prawda/fałsz; uzupełnienie dialogu zwrotami podanymi w formie testu wielokrotnego wyboru; ćwiczenia polegające na łączeniu elementów (słów, obrazków, pytań i odpowiedzi) w logiczne, gramatycznie poprawne związki; uzupełnienie wyrażen wymaganych konstrukcjami gramatycznymi; ćwiczenia polegające na zmianie kolejności elementów, liter w wyrazie czy słów w zdaniu.

Elementy ćwiczeń otwartych i zamkniętych łączone są w zadaniach wymagających przetłumaczenia ćwiczonych wcześniej zwrotów na język angielski oraz w wypowiedziach pisemnych ograniczonych podanymi strukturami lub zwrotami. W testach występują również zadania otwarte w formie swobodnych wypowiedzi pisemnych na zadany temat.

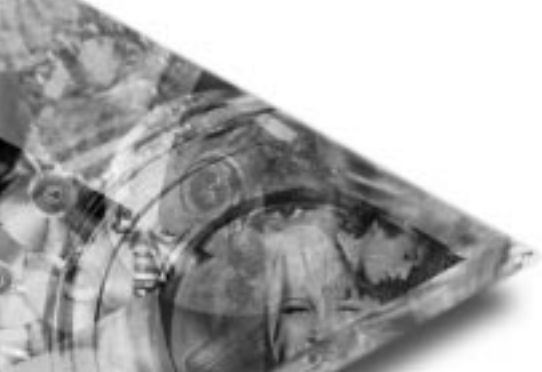

Na wykonanie każdego testu przewidziane jest 45 minut.

Punktacja i ocena

Do każdego ćwiczenia podana jest maksymalna ilość punktów. System ten pozwoli nauczycielowi na szczegółową analizę umiejętności uczniów na podstawie wyników częściowych. Suma punktów w całym teście daje ogólny obraz kompetencji językowych uzyskanych przez danego ucznia. W zadaniach otwartych lub częściowo otwartych podana punktacja uzależniona jest od wszystkich elementów języka sprawdzanych w danym ćwiczeniu. Przykładowo, za każde poprawnie przetłumaczone zdanie uczeń może otrzymać 4 punkty. Nauczyciel musi wziąć pod uwagę gramatyczną poprawność zdania (szyk wyrazów, właściwe formy czasowników, użycie czasowników posiłkowych, etc.), pisownię poszczególnych słów, zastosowanie odpowiednich zwrotów oraz treść zdania. Oceniając wyżej wymienione zagadnienia nauczyciel powinien pamiętać również o stopniu zaawansowania uczącego się.

W przypadku oceny swobodnej wypowiedzi pisemnej, poza wymienionymi już czynnikami, należy ocenić komunikatywność, zgodność z tematem, długość odpowiedzi, umiejętne zastosowanie zdań złożonych, oraz użycie właściwego stylu. Zamieszczona niżej tabelka zawiera elementy języka podlegające testowaniu i ma na celu ułatwić nauczycielowi ocenę zadania otwartego.

Zakres znajomości języka podlegający ocenie	Elementy języka oceniane w poszczególnych zakresach	Ocena
Pisownia i interpunkcja	Właściwe użycie wielkich liter, apostrofu, etc. Poprawna pisownia Poprawne zastosowanie znaków interpunkcyjnych

CHARLES DICKENS (1812–1870)

Charles Dickens is a famous writer in the English language. He wrote about the real world of England and many of the people in his books were not rich, but poor and hungry.

Charles Dickens's family lived in London and his father worked in an office. It was a good job, but he always spent a lot of money and often there was no money to buy food. There were eight children in the family, so life was hard.

Charles went to school and his teachers thought he was very clever. But when Charles was only eleven, his father lost all his money and the family left their house. Charles got a job washing bottles. He worked ten hours a day and he earned six shillings (30p) a week. Every night, after work, he walked four miles back to his room. Charles hated it and never forgot it. He used it in many books, for example *David Copperfield* and *Oliver Twist*.

MEALS IN BRITAIN

A typical full English breakfast is a very big meal – sausages, bacon, eggs, tomatoes, mushrooms and of course toast. But nowadays many people don't have time to eat all this and just have toast, or sometimes fruit and yoghurt. The typical breakfast drink is tea, which people have with cold milk. Some people have coffee made with just hot water. Many visitors to Britain think this coffee is horrible!

For many people lunch is a quick meal. In cities there are a lot of sandwich bars, where office workers can choose the kind of bread they want, either brown or white, and then all sorts of salad and meat or fish to go in the sandwich. Pubs often serve good, cheap food, both hot and cold. School-children can have a hot meal at school, but many just take a snack from home – a sandwich, a drink, some fruit, and perhaps some crisps.

People eat their evening meal quite early, often at about six o'clock. A typical dinner is meat and vegetables, especially on Sundays, when all the family eat together.

MEALS IN BRITAIN

A typical full English breakfast is a very big meal – sausages, bacon, eggs, tomatoes, mushrooms and of course toast. But nowadays many people don't have time to eat all this and just have toast, or sometimes fruit and yoghurt. The typical breakfast drink is tea, which people have with cold milk. Some people have coffee made with just hot water. Many visitors to Britain think this coffee is horrible!

For many people lunch is a quick meal. In cities there are a lot of sandwich bars, where office workers can choose the kind of bread they want, either brown or white, and then all sorts of salad and meat or fish to go in the sandwich. Pubs often serve good, cheap food, both hot and cold. School-children can have a hot meal at school, but many just take a snack from home – a sandwich, a drink, some fruit, and perhaps some crisps.

People eat their evening meal quite early, often at about six o'clock. A typical dinner is meat and vegetables, especially on Sundays, when all the family eat together.

SUE GLASS, RACING DRIVER

Sue Glass had a car accident when she was eight so she didn't like driving. When she grew up this was a problem, because she got a job with a car company. Then six years ago she met Julian Swayland, a racing driver, and she told him she was afraid of cars. He wanted to help, so he took her to Brands Hatch, a Grand Prix racing circuit. He drove her round corners at 100 mph and she loved it. Then she heard about a special motor racing course. She did the course with five men and was amazed when she got top marks. She says:

'I think I did well because I listened to everything the teacher said. I needed to because I was so afraid. The men often didn't listen. The best moment was my first championship race. I didn't win but I came fourth. I beat 20 men. I love the excitement of motor racing but it's a dangerous sport and I'm always very frightened.'
